

Adding a Panopto Video to your Course

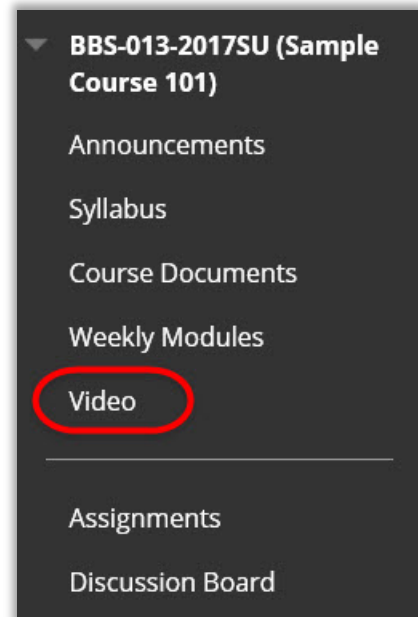

1. Navigate to Blackboard then enter your username and password. You can do this either through [MyWesley](#) or blackboard.wesleyseminary.edu

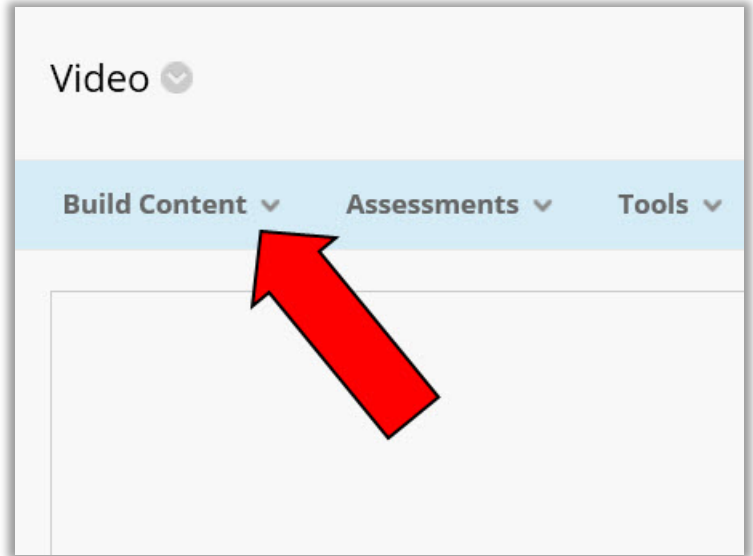

2. Enter your course.

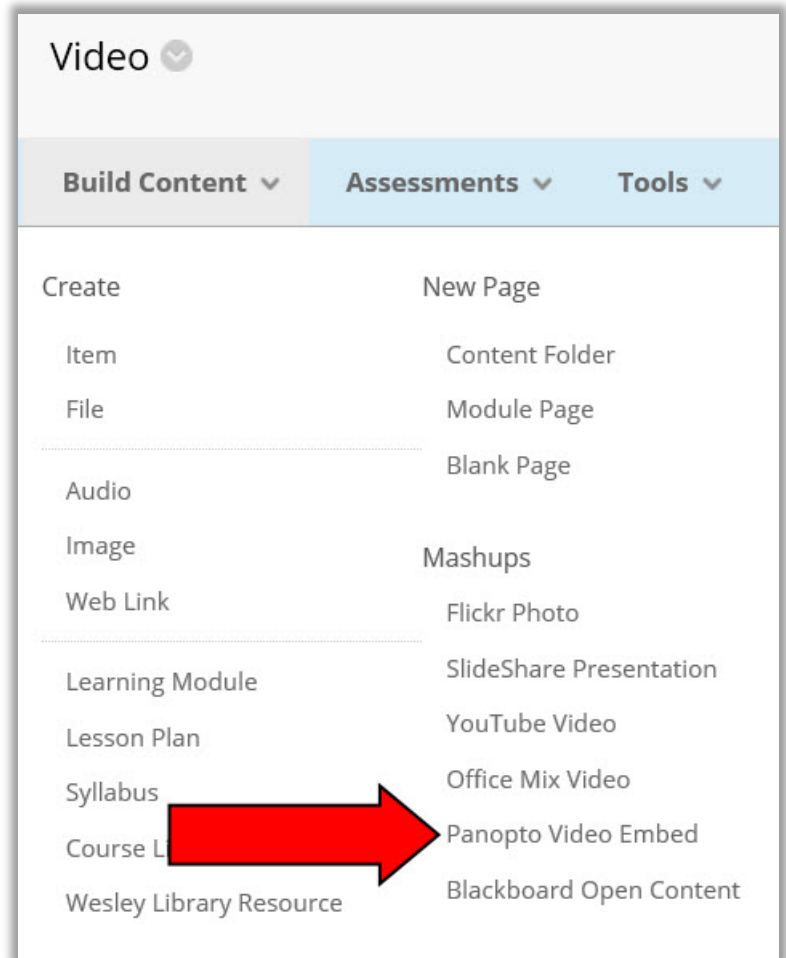

3. Click the content area where the video will be displayed. For this example, it will be in a Course Menu item entitled Video.

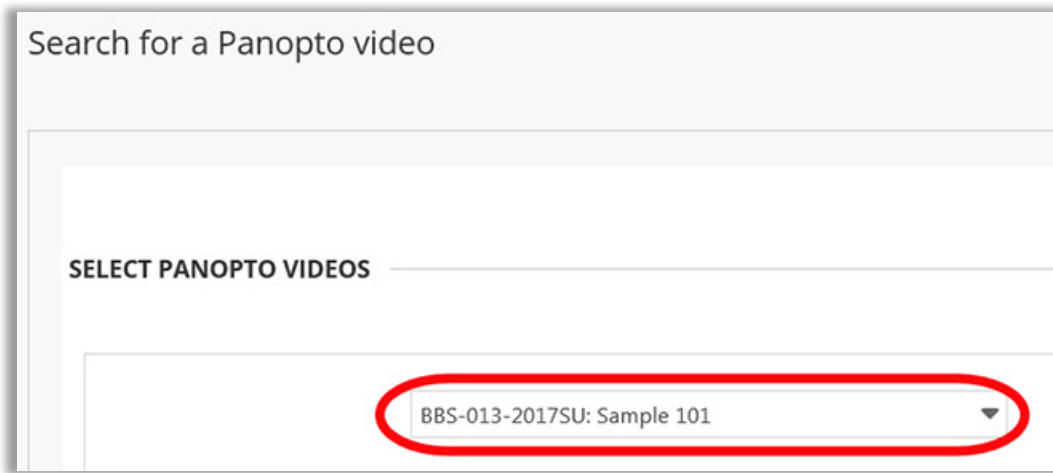

4. Mouse over **Build Content**

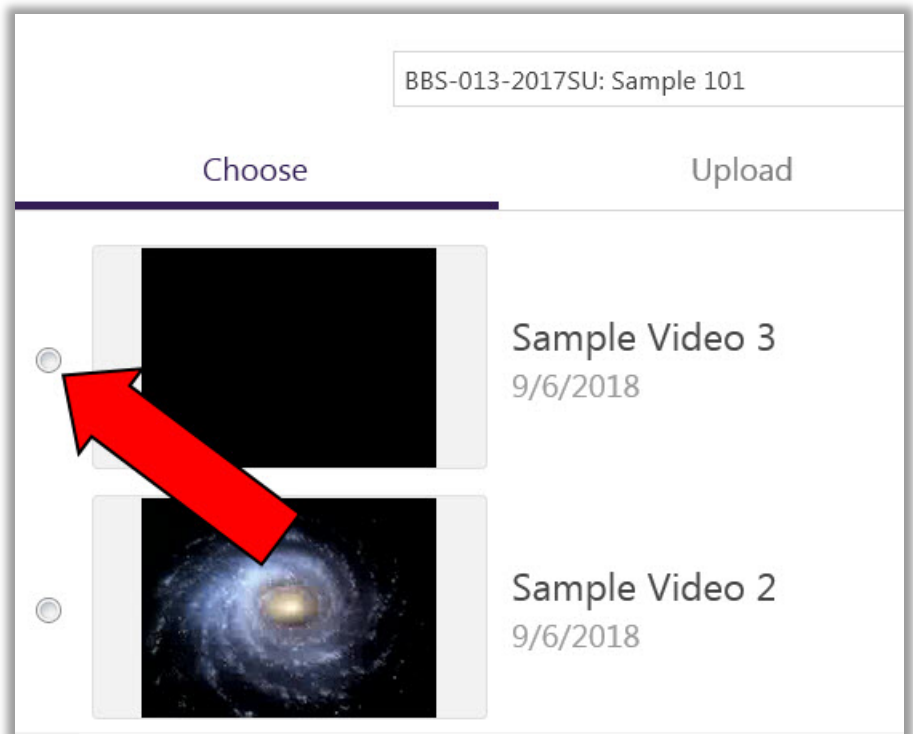

5. Click **Panopto Video Embed**

-
6. Make sure your course folder is selected. If it is not, click the down arrow and select the folder that corresponds with your course.

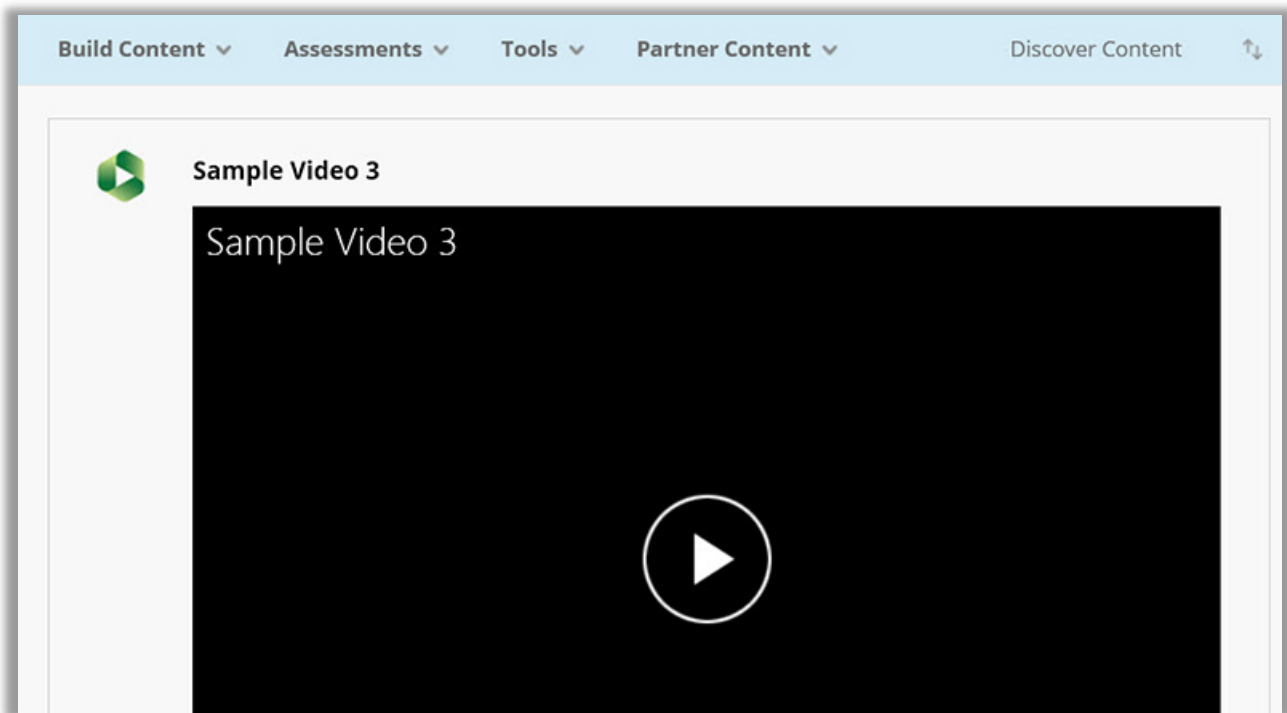

-
7. Select the video you wish to add to the course by clicking the radio button to the left of the video.

-
8. Click Insert Video in the lower right corner.

9. The video will show in the content area.
