Course of Study at Wesley

All Wesley Course of Study Courses operate on a hybrid online model. Part of each course is offered asynchronously online with a weekend intensive held via Zoom. The weekend intensives are mandatory and scheduled by the Seminary and Course Professor. Wesley reserves the right to change this schedule as needs arise to maintain the safety of our students, faculty, and staff.

Wesley Course of Study Program Notes:

- All students must complete CS 121 and CS 122 before taking any other course.
- Students are responsible for printing, reviewing, and saving the course syllabi for their course.
You may locate available course syllabi here:
<https://www.wesleyseminary.edu/course-of-study-current-students/>
- Please note that the syllabi will be posted at least one month before the course start date. Please click on the Course Title to download the syllabus. You may click on the Professor's name for email contact.
- Once registration is complete, you will receive a registration confirmation from the Course of Study Office. All students will be placed in the corresponding course on Blackboard. Access to the Blackboard course will be available one week prior to the course start date.
- Grades will be accessible in the Wesley Student Portal 4-6 weeks after the course ends and submitted to GBHEM and the Local Pastor Registrar within 8 weeks of course completion.
