The General PMM/SPP Placement Process

Discover your placement by perusing the PMM Ministry Setting Listed Sites on the Blackboard organization PMM-001 or finding a ministry placement location on your own. Placement proposals will be reviewed upon receipt; approval is not guaranteed. For lead pastors or those who may receive a pastorate, contemplate whether you would like to proceed as a student pastor (SPP) or for PMM.

You may see PMM and SPP documents on the webpage [Handbooks and Forms](https://www.wesleyseminary.edu/practice-in-ministry/handbook) (<https://www.wesleyseminary.edu/practice-in-ministry/handbook>).

For non-lead pastors for PMM placement: To confirm your proposed site, submit the confirmation form on [Applying for PM&M](#) as part of their placement proposal paperwork. Once received the PM&M office will instruct the site contact, copying you, about next steps in becoming approved for the proposed placement and in confirming the internship partnership.

For lead pastors and Student Pastors: Confirm your pastorate location by submitting the completed SPP Information Sheet on [Applying for PM&M](#) and complete the SPP-PMM covenant.

Once a placement confirmation email is received for PMM and SPP from the PM&M office, interns may register their learning partnerships (intern with the clergy or mentoring partner and with the lay or site partner) for their required PM&M orientation session using the form under the last accordion (+) tab on [Applying for PM&M](https://www.wesleyseminary.edu/practice-in-ministry/first-year-students/applying-for-pmm/) (<https://www.wesleyseminary.edu/practice-in-ministry/first-year-students/applying-for-pmm/>).
